I request permission to sell the products I manufacture (defined as practicing the culinary art of producing the product I offer for sale, which includes any operation that changes the form, the flavor, and the substance of raw products) at CFMA's certified farmers' markets. I will not resell products at Farmers' Markets. I understand that distributorships are prohibited. I agree to operate by the CFMA market rules and regulations, (available on line at www.CaFarmersMkts.com or request a copy be mailed to me), abide by the payment policies, and post price signs for each product before commencing sales on market day. I have signed the Participation Agreement enclosed. I agree to cooperate with the market management, pay the required fees, submit a legible, complete non-agricultural load list at the end of each market day and provide the CFMA office a copy of my current environmental health certificate. I will make a copy available each market day I attend. I will abide by the 72-hour cancellation policy and I will call the toll free line 800-806-3276 at least 72 hours in advance to cancel so that I will not be responsible for the stall fee for that Market day.
