I request permission to sell products at CFMA's certified farmers' markets which I manufacture (defined as practicing the culinary art of producing the product I offer for sale, which includes any steps that change the form, the flavor, and the substance of raw products). I will not resell products at these markets. I will receive a copy of the 2024 CFMA Market Rules & Regulations upon stall confirmation. I agree to observe and obey the terms and conditions set forth in the 2024 CFMA Market Rules and Regulations and CFMA Market Notices that are periodically issued throughout the year by CFMA. I agree to abide by the due process and grievance/claim policies and procedures outlined in the 2024 CFMA Market Rules & Regulations. I agree to abide by the terms and conditions set forth in the enclosed Participation Agreement as indicated by my signature below and my signature located on the Participation Agreement on the reverse side. I agree to cooperate with the market manager, pay the required fees, and pay any assessed fines/penalties. I understand my business is scheduled for a season, and my participation is reserved in 30-day increments. Each 30-day renewal of selling privileges is automatic, unless negative compliance occurs, including, but not limited to: cooperation and positive relations with the market manager, quality of products, adherence to market rules and regulations, and adherence to the State of California Uniform Retail Food Laws (CalCode). I agree that the market manager may adjust, limit, or increase the supply of the product(s) I offer for sale. I will provide the market manager a copy of my current Environmental Health Permit prior to commencing sales at any CFMA certified farmers' market. I agree to post price signs for each product commencing sales on market day.
